Dear Sir:-

Through some error I did not receive a copy of the catalogue of the collection of medals and the works of art belonging to Dr. Pozzi which were sold on the 21st of June of this year, nor did our President, Mr. Edward T. Newell, whose address is in care of this Society, receive a copy of this sale. May I ask that you kindly take steps to have this Society's, President Newell's and my name placed on your mailing list for copies of any future catalogues of coins, medals or decorations? Would it be possible for you to send me two copies of the catalogue for the sale of June 21st?

Very truly yours,

Secretary and Librarian.

P.S. When will the sale of Dr. Pozzi's
Greek Coins be held?

Dear M. Sambon:

I beg to acknowledge receipt of a copy of the catalogue of the collection of medals belonging to Dr. Pozzi, the sale of which was held the 29th of June of this year. Thank you very much. Our President also received a copy, and has requested that I send you word of his appreciation of your having sent it to him.

I trust you will keep us informed of any future auctions which may take place. The catalogues are filed in the Library of our Society, and consequently are open for consultation to a large number of our members.

Again thanking you for your courtesy, I am,

Yours very truly,

Secretary and Librarian.

Dear Sir:

May I ask whether you have in your stock any staters of Metapontum? If there are not too many of them, I would be very glad if you would send me what you have. I would prefer with the more expensive pieces that you send the plaster casts if that is possible. I shall take pains to return them as promptly as may be, and a remittance will follow for any I may select. I am interested in the incuse and bronze pieces as well as the double relief staters.

Very truly yours,

Secretary

Dear M. Sanbon:

Will you be so good as to advise me whether a printed pricelist on your auction sale of June 27 - 30, 1927, was issued? If so, I should be very glad to have two copies together with the memorandum bill to cover. We bind catalogues of such important sales as this one, and where it is possible, we endeavour to secure the pricelist so that records will be kept. I should greatly appreciate any aid you will be able to give me in obtaining such a pricelist.

Very truly yours,

Secretary.
